Protective Headgear

I have been fully informed by RRC that I can better protect myself against head injuries by wearing an approved protective equestrian headgear while mounting, riding, dismounting and being around horses. Mark an "X" on the following page before the appropriate sentence which describes your decision regarding the wearing of such equipment on the ride (s) in which you are contracting herein to participate:

_____ I request that I/my child(ren) wear an approved protective equestrian headgear which RRC will provide, understanding that these may not be of perfect fit for my head, and once provided I/my child(ren) will be responsible for securing the protective headgear on my/their head at all times.

_____ I refuse that I/my child(ren) wear any type of protective headgear and I accept full responsibility for this decision.

_____ I/my child(ren) will wear protective headgear which I, the undersigned, am providing and I will accept full responsibility for this decision. I am not relying on RRC to determine my/my child(ren)'s headgear's quality or suitability.

Saddle Girth Natural Loosening

I understand that saddle girths may loosen during a ride. If a rider notices this, he/she must alert the nearest guide or wrangler as quickly as possible so action can be taken to avoid slippage of saddle and a potential fall from the animal.

Risks to Unborn Children

Because of the inherent risks of riding horses to the safety of unborn children, RRC advises pregnant women not to ride horses.

Note - No riders over 230 pounds.

I acknowledge that Redeemed Ranch Camp is providing instruction and/or trail riding which I and/or my minor children as listed under "Registration of Participants" wish to participate. I recognize and acknowledge that my/their participation in such activities and any other activities (which may or not include equine activities), involves the possibility of inherent risks including, but not limited to, the following:

- A collision with another equine, another animal, a person, or an object; The potential of an equine activity participant to act in a negligent manner that may contribute to injury, death, or loss to the person of the participant or to other persons, including, but not limited to, failing to maintain control over an equine or failing to act within the ability of the participant.

With full knowledge of the above and any other inherent risks which may or may not be associated with equine activities, I hereby consent to our participation in the above described activities, and I (on behalf of myself and/or my children/legal ward(s)) agree to waive any and all claims for personal injury or property damage of any kind which my children, I or my heirs, personal representatives and next of kin may have or which may arise against Redeemed Ranch Camp as a result of my/their participation in such equine or any activities, whether or not such injuries or damages result from negligence or legal liability.
